Dear Mr. Payne:

Re: City of Winnipeg - Southwest Rapid Transit Corridor – Stage 2 Project

The report submitted by the City of Winnipeg on June 18, 2015 in response to my letter of April 20, 2015 requesting a report on the potential effects of the above noted project on the wetlands in the Parker Lands has been reviewed.

Based on a technical review, the report is considered satisfactory and meets the intent of the April request. By way of this letter, the implementation of the drainage plan included in the report shall be a regulatory requirement for this project.

If you have any questions regarding this matter, please contact Ms. Elise Dagdick of this office at (204) 619-0709.

Yours sincerely,
