

Notice of Environment Act Proposal

Manitoba Sustainable Development has received a proposal pursuant to The Environment Act regarding the following operation and invites public participation in the review process:

**JOSEPH ISFJORD AND KIMBERLEY DAWN ISFJORD (Chesley's Resort) – FILE:
5718.00**

An Environment Act Proposal has been filed by Joseph Isfjord and Kimberley Dawn Isfjord for the installation of two 45,000 litre holding tanks that will replace an existing wastewater pond and complement the continuing operation of the existing wastewater collection systems, holding tanks, and septic tank and field system that serve other portions of Chesley's Resort. The Resort is located within SE 23-15-4 EPM in the Rural Municipality of St. Andrews. Wastewater collected and stored in the holding tanks at the Resort will be pumped out and trucked by licensed haulers to the Rural Municipality of St. Andrews wastewater treatment lagoon. The existing wastewater pond will be decommissioned once the two new holding tanks are successfully commissioned.

Anyone likely to be affected by the above operation and who wishes to comment on the proposal should contact Robert Boswick, Environmental Engineer, in writing or by email at robert.boswick@gov.mb.ca or by telephone at 204-945-6030, not later than September 25, 2019. Further information is available from the Online Public Registry: www.gov.mb.ca/sd/eal/registries/

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of The Environment Act.
