

Notice of Dangerous Goods Handling and Transportation Act Application

Conservation and Water Stewardship has received an application pursuant to *The Dangerous Goods Handling and Transportation Act* from the following operation and invites public participation in the review process:

BRANDON REGIONAL HEALTH AUTHORITY INC. (PRAIRIE MOUNTAIN HEALTH) BIOMEDICAL WASTE TREATMENT FACILITY - FILE: 5749.00

A Dangerous Goods Handling & Transportation Act Application has been filed by the Brandon Regional Health Authority Inc. (Prairie Mountain Health) for the operation of a Biomedical Waste Treatment Facility at 150 McTavish Avenue East in the City of Brandon, Manitoba (at the existing incinerator site). The project involves the installation of a new incinerator and an autoclave for the treatment of biomedical waste generated from the Brandon Regional Health Centre and all the Regional Health Authority facilities except those located within the Winnipeg Regional Health Authority and Churchill.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the application should contact the Department, in writing or by E-mail (raj.rathamano@gov.mb.ca), not later than JANUARY 23, 2015. Further information is available from the Public Registries located at Legislative Library, 200 Vaughan St., Winnipeg; Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; Online Registry: <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Raj Rathamano, Environment Officer at 204-945-7086.

Information submitted in response to these applications is considered public information and will be made available to the applicant and placed on the public registry.
