Re: Biomedical Waste Redevelopment Project,
Draft DGHTA License, Brandon , MB
Your file number **5749.00**

Dear Ms.Braun,

We recently received notice from Manitoba Health Capital Planning that they wish to review other options relative to biomedical waste processing and as such our Capital Project has been cancelled. Under consideration is that the rural regions will be collectively out-sourcing bio-medical waste disposal. Accordingly, Please consider this letter as our official intention to terminate our application for a Dangerous Goods Handling and Transportation Act (DGHTA) license.

Yours truly,

Richard Ott
