RE: ENVIRONMENT ACT LICENCE NO. 3377 CITY OF WINNIPEG BIOSOLIDS LAND APPLICATION

Please accept this letter in response to Clause 49 of Environmental Act Licence No. 3377.

The City of Winnipeg plan to conduct an Environmental Impact Assessment in 2024 in order to determine a decommissioning and alternate land use plan for the temporary biosolids storage facility located in the Rural Municipality of West St. Paul.

The City of Winnipeg shall submit the outcome of the Environmental Impact Assessment by March 31, 2025. The summer/fall of 2024 will be used for sampling and site investigation, followed by analysis and land use planning.

Should you have any questions on this letter, please contact me at 204-795-8530 or by email at ccarroll@winnipeg.ca.

Sincerely,

Chris Carroll
Manager of Wastewater Services Division
