**Re: CityMix Inc. Environmental Act Proposal**

It has come to our attention that City Mix Inc. is applying for an Environmental Act Permit to Manitoba Sustainable Development in order to operate a concrete batch plant at 1197 Kenaston Boulevard / 64 Nature Park Way.

As the neighbouring property owner to the south, we have no concerns with City Mix Inc.'s application and will continue to support City Mix Inc in their operations.

Should you have any questions please do not hesitate to call me at 204-233-4330

Thanking you, we remain,

Yours truly,

**TUXEDO BUSINESS PARK INC.**
