Good afternoon Jennifer,

Attached is a Notice of Alteration application and cover letter explaining the proposed alteration for the Wanipigow Sand Extraction Project File: 5991.00.

Please note that there was an issue regarding Adobe 'authenticating' my electronic signature in the NoA form signature field, so I also printed a copy and hand-signed the NoA form also (attached: 'NoA Application_CPS_File 5991.00_2019_03_18_signed.pdf').

Regards,
Marlene
