# Transfer Station Operating Permit

**File No. : 43574**

**Permit No.: 49513 P1**

**Issue Date: December 1, 2022**

Following the Waste Management Facilities Regulation under The Environment Act, Red's Septic Services Ltd. is hereby permitted to run a Waste Transfer Station (facility) at 831 Cree Road in the City of Thompson, Province of Manitoba. Schedule A of this permit identifies the facility.

This permit is subject to being amended, suspended, or revoked under sections 7 and 9 of the Waste Management Facilities Regulation.

This permit is issued subject to the following terms and conditions:

## **General Terms and Operating Conditions**

1. This permit expires on November 18, 2027.
2. The operator must maintain and operate the facility following the Waste Management Facilities Regulation and any future amendments thereof, and this permit.
3. The operator must obtain approval in writing from the director of the Environmental Approvals Branch before altering the facility.

## **Materials Acceptance and Handling**

4. The operator must segregate materials collected for recycling or reuse, and must temporarily stockpile these materials in clearly signed designated areas. These areas must be maintained to control weeds, vectors, and the quality of the materials.
5. The operator must remove all materials received at the facility regularly or upon the request of an environment officer, within the timeframe specified.
6. The operator must implement control measures to prevent the attraction and sustenance of rodents and scavenging vectors.
7. The operator must not accept any livestock or other animal mortalities at the facility.

### **Surface Water Management**

8. The operator must construct the facility such that all uncontaminated surface water flows to the perimeter ditch and impacted water from all material storage areas is contained within the facility boundaries.

### **Burning of Combustible Waste**

9. The operator must not allow burning at the facility.

### **Composting**

10. The operator must not allow composting at the facility.

### **Revocation**

11. This permit replaces Permit No. 49513, which is hereby rescinded.
