

Notice of Environment Act Proposal

Manitoba Conservation and Climate has received a proposal pursuant to The Environment Act regarding the following operation and invites public participation in the review process:

WINTEC BUILDING SERVICE INC. – Wintec Mobile Asphalt Plant – FILE: 6047.00

An Environment Act Proposal has been filed by Wintec Building Service Inc. for the installation and operation of a portable asphalt plant at various locations through out the Province of Manitoba. Wintec Building Service Inc. will operate an ADM DM149 Parallel Drum portable asphalt plant during the construction season to produce asphalt for various construction projects. The plant is equipped with a Barber Greene Portable Pulsejet style baghouse dust collector. A site-specific assessment will be performed for each operational location of the plant.

Anyone likely to be affected by the above operation and who wishes to comment on the proposal should contact Eshetu Beshada, Environmental Engineer, in writing or by email at eshetu.beshada@gov.mb.ca or by telephone at 204-945-7023, not later than APRIL 14, 2020. Further information is available from the Online Public Registry: www.manitoba.ca/sd/eal/registries/

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of The Environment Act.
