Dear Pierre-Olivier Sauvageau. :

Re: Environment Act Licence No. 3335 - Notice of Alteration Request

Thank you for your notice of alteration dated January 9, 2023. You wish to install a non-permanent dome cover over the exterior peat handling area to reduce dust emissions.

I approve the alteration under section 14(2) of The Environment Act. All clauses of Environment Act Licence No. 3335 remain in effect.

If you have any questions regarding this approval, please contact Krystal Penner, Pesticide and Agricultural Program Specialist, Environmental Approvals Branch at Krystal.Penner@gov.mb.ca or 204-945-7107.

Sincerely,
