Dear Laura Weeden:

**Re: Environment Act Licence No. 3367 - Notice of Alteration Request**

Thank you for your letter dated June 10, 2022, requesting an extension to clause 57 of Environment Act Licence No. 3367. Your letter is accepted as a notice of alteration.

Licence No. 3367 was issued to Sio Silica (formerly CanWhite Sands) on December 16, 2021. Clause 57 of the licence required the submission of a remediation and closure plan assessment within six months of issuance of the licence.

I have reviewed your request and approve an extension to the timeline under Section 14(2) of The Environment Act. You must submit the remediation and closure plan assessment described in clause 57 of the licence on or before June 30, 2023.

Should you have any questions about compliance, please contact Nada Suresh, Regional Supervisor, Environmental Compliance and Enforcement Branch at [Nada.Suresh@gov.mb.ca](mailto:Nada.Suresh@gov.mb.ca) or 204-945-8214.

Sincerely,
