Further to my email of June 8, your Environment Act Proposal has been posted on our electronic public registry at <https://www.gov.mb.ca/sd/eal/registries/6059beausejour/index.html> and advertised in the Beausejour-Lac du Bonnet Clipper. Public and Technical Advisory Committee comments on the proposal have been requested by July 25, 2020. After that date, I will be in contact with you concerning the next steps in the environmental assessment and licensing process.

Bruce.
