

Notice of Dangerous Goods Handling and Transportation Act Application

Manitoba Conservation and Climate has received an application pursuant to The Dangerous Goods Handling and Transportation Act regarding the following operation and invites public participation in the review process:

MUNICIPALITY OF MINITONAS-BOWSMAN - BOWSMAN HAZARDOUS WASTE DEPOT – FILE: 6067.00

A Dangerous Goods Handling and Transportation Act application has been filed by Rural Municipality of Minitonas-Bowsman for the operation of the hazardous waste depot at the Bowsman Waste Disposal Ground located at SW 24-38-27W, RM of Minitonas-Bowsman, MB. The material will be transported to a licensed facility for further processing, reuse or disposal. All material is transported from this facility and no hazardous waste is disposed of at this location.

Anyone likely to be affected by the above operation and who wishes to comment on the application should contact the department in writing or by email to Edwin Yazon, Environmental Engineer at Edwin.Yazon@gov.mb.ca, not later than OCTOBER 29, 2020. Further information is available from the Public Registry: www.gov.ca/sd/eal/registries/

Information submitted in response to these applications is considered public information and will be made available to the applicant and placed on the public registry.
