

Notice of Environment Act Proposal

Manitoba Conservation and Climate has received a proposal pursuant to The Environment Act regarding the following operation and invites public participation in the review process:

MANITOBA HYDRO – BP6/BP7 Transmission Project – FILE: 6105.00

An Environment Act Proposal has been filed by Manitoba Hydro for the replacement of a storm-damaged section of the existing BP6/BP7 transmission line between Brandon and Portage la Prairie. The project involves the construction of 8.3 kilometers of double circuit 115 kV transmission line, along a different route than the damaged section, in the area of the Portage la Prairie Bypass. The anticipated in-service date is March 2023.

Anyone likely to be affected by the above operation and who wishes to comment on the proposal should contact Elise Dagdick, Environment Officer, in writing or by email at Elise.Dagdick@gov.mb.ca not later than JUNE 13, 2021. Further information is available from the Online Public Registry: www.gov.mb.ca/sd/eal/registries

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of The Environment Act.
