

Notice of Dangerous Goods Handling and Transportation Act Application

Manitoba Conservation and Climate has received an application pursuant to The Dangerous Goods Handling and Transportation Act regarding the following operation and invites public participation in the review process:

RURAL MUNICIPALITY OF ROSSER TRANSFER STATION HAZARDOUS WASTE DEPOT – FILE NO: 6118.00

An application has been filed by the Rural Municipality of Rosser for the operation of a hazardous waste depot at the Rosser Waste Transfer Station located on portions of SW 30-12-1 EPM within the Rural Municipality of Rosser. The material will be transported to a licensed facility for further processing, reuse or disposal. All material is transported from this facility and no hazardous waste is disposed of at this location.

Anyone likely to be affected by the above operation and who wishes to comment on the application should contact the department in writing or by email to Edwin Yazon, Environmental Engineer, at Edwin.Yazon@gov.mb.ca, not later than SEPTEMBER 05, 2021. Further information is available from the Public Registry: www.gov.mb.ca/sd/eal/registries

Information submitted in response to these applications is considered public information and will be made available to the applicant and placed on the public registry.
