

Notice of Environment Act Proposal

Manitoba Environment, Climate and Parks has received a proposal pursuant to The Environment Act regarding the following operation and invites public participation in the review process:

PRICE INDUSTRIES LTD. – SOLUTIONAIR FACILITY – FILE: 6140.00

Price Industries Ltd. operating as SolutionAir, filed an Environment Act Proposal to run a metal fabrication at 404 Egesz Street in Winnipeg. The facility manufactures various air-handling units such as rooftop, air make-up, energy recovery, and precision indoor air control units. The manufacturing uses various operations such as laser cutting, welding, bending, installing electrical wires, and insulation.

Anyone likely to be affected by the above operation and who wishes to comment on the proposal should contact Eshetu Beshada, Senior Environmental Engineer, in writing or by email at Eshetu.Beshada@gov.mb.ca not later than June 28, 2022. Further information is available from the Online Public Registry: www.gov.mb.ca/sd/eal/registries

Information submitted in response to this proposal is considered public information. It will be made available to the proponent and placed on the public registry established in accordance with Section 17 of The Environment Act.
