

Notice of Environment Act Proposal

Manitoba Environment and Climate Change invites public comment on the following proposal:

SAPPHIRE SPRINGS INC. - FISH HATCHERY - FILE: 6166.10

Sapphire Springs Inc. proposes to expand and operate an Arctic Char fish hatchery in NE 18-15-3 EPM in the Rural Municipality of Rockwood. The proposed work will include adding a finishing process to their facility that will increase the water use from approximately 15.8 to a maximum of 250 litres per second from existing wells at the site. If approved, treated effluent will be discharged into the existing ditch and eventually enter Wavey Creek.

Anyone likely to be affected by the proposal and who wishes to comment, should contact Jay Mak, Senior Environmental Engineer, in writing or by email at Jay.Mak@gov.mb.ca no later than October 14, 2024. Further information is available from the Public Registry: www.gov.mb.ca/sd/eal/registries

Information submitted in response to this proposal will be available to the proponent and placed on the public registry per Section 17 of The Environment Act.
