**Project Name: City of Brandon Water Treatment Facility Upgrades**  
**Subject: Environmental Act Proposal Submission**

Dear Director,

Please find attached two (2) printed copies and one (1) electronic copy (USB) of the City of Brandon's Water Treatment Facility Upgrades Environmental Act Proposal (EAP) for review and comment.

Included within the submission package are:

- Environmental Act Proposal Form
- Application fee (Cheque, payable to the Minister of Finance, \$1,000 Class 1 Development)
- Environmental Act Proposal Report containing the following information:
  - Section 1: Introduction and Background
  - Section 2: Description of Proposed Development, including details of the new membrane plant
  - Section 3: Scope of Assessment and Assessment Approach
  - Section 4: Assessment of Effects on Physical Environment, Soils, and Terrain
  - Section 5: Assessment of Effects on Vegetation
  - Section 6: Assessment of Effects on Water Resources
  - Section 7: Assessment of Effects on Groundwater Quality and Quantity
  - Section 8: Assessment of Effects on Wildlife and Wildlife Habitat
  - Section 9: Assessment of Effects of Socio-economic Elements including Human Health
  - Section 10: Follow-up Plans including Monitoring and Reporting
  - Appendix A: Process Flow Diagrams
  - Appendix B: Photographs

Yours sincerely,

Alexia Stangherlin, P.Eng.  
Director of Utilities
