

Notice of Environment Act Proposal

Manitoba Environment and Climate Change invites public comment on the following proposal:

CENTRA GAS MANITOBA INC. – ALTONA TO WINKLER GAS TRANSMISSION PIPELINE – FILE: 6262.00

Centra Gas Manitoba Inc. proposes to build a 31-kilometre-long and 8-inch-diameter natural gas transmission pipeline that will originate north of Altona and end in Winkler. The proposed route passes through portions of the Municipality of Rhineland, the Rural Municipality of Stanley, and the City of Winkler. If approved, construction is anticipated to begin in the summer of 2027 and take up to a year to complete. The pipeline will become a component of the natural gas system in the area which includes the recently licensed Dominion City to Altona gas pipeline development.

This proposal can be viewed at www.manitoba.ca/sd/eal/registries

Anyone affected by the proposal who wishes to provide feedback should submit their comments using the online form at www.manitoba.ca/sd/eal/registries by **April 20, 2026**.

Information submitted in response to this proposal will be available to the proponent and placed on the public registry per Section 17 of The Environment Act.
