

Notice of Environment Act Proposal

Manitoba Environment and Climate Change invites public comment on the following proposal:

CLEARLY FAMILY BEVERAGE COMPANY – BEVERAGE BOTTLING FACILITY – FILE: 6310.00

Clearly Family Beverage bottling facility proposes to continue operations, and construct and operate a moving bed biofilm reactor (MBBR) wastewater treatment system with UV disinfection at the beverage facility located at SE 03-06-08 EPM in the RM of La Broquerie. The treated effluent from the wastewater treatment system would be discharged to an existing storage pond and exfiltrate into an existing drainage ditch which flows east towards the Seine River.

This proposal can be viewed at www.manitoba.ca/sd/eal/registries

Anyone affected by the proposal who wishes to provide feedback should submit their comments using the online form at www.manitoba.ca/sd/eal/registries by June 15, 2026.

Information submitted in response to this proposal will be available to the proponent and placed on the public registry per Section 17 of The Environment Act.
