Dear Ms. Desiatnyk:

Re: Environment Act Licence Suspension
Discharge of Town of Powerview - Pine Falls Wastewater Treatment Lagoon Cell #3

This letter acknowledges your request submitted on July 17, 2017 to commence discharge of effluent from cell #3 of the Town of Powerview - Pine Falls wastewater treatment lagoon without meeting the effluent limit for total coliforms specified in Environment Act Licence No. 638R.

I am granting a suspension of Clauses 1(b) and 2(b) iv, pursuant to Section 18(1) of the Environment Act, which allows you to proceed with the discharge of cell #3 of the lagoon. The suspension is in effect from July 19, 2017 to August 2, 2017, inclusive for this event.

All other clauses in Environment Licence No. 638R remain in effect.

Please contact Regional Supervisor, Diane Oertel at (204)-345-1487 if you have any questions.

Yours sincerely,

Don Labossiere
Director, Environmental Compliance and Enforcement
