Dear Sir:

Re: Manitoba Environment Act Form and Supporting Documentation for an Operating Licence for the City of Brandon's Expanded Industrial Wastewater Treatment Facility for Maple Leaf Pork's Second Shift, Brandon, Manitoba

We are pleased to submit on behalf of the City of Brandon twenty-seven (27) copies of our report entitled "Manitoba Environment Act Form and Supporting Documentation for an Operating Licence for the City of Brandon's Expanded Industrial Wastewater Treatment Facility for Maple Leaf Pork's Second Shift, Brandon, Manitoba". The second shift refers to the second production shift, and the clean-up shift currently carried out after one production shift will in essence become the third shift of the day.

We trust you will find the report complete; however, should you have any questions or require further information, please contact either Mr. Stephen Biswanger or myself.

We thank you in advance, on behalf of the City of Brandon, for your timely consideration of this application.

Very truly yours,

EARTH TECH (CANADA) INC.
