

Escaping to Manitoba's Parks has never been easier

Manitoba's online Parks Reservation Service is the easy, convenient way to make sure you can enjoy your favourite campsite this season. Our system allows users to browse available campsites, photos and view park maps and details about each campsite. With real-time, up-to-date information, the system offers communication between computerized campground offices and the reservation system, and provides a better way to manage park resources and campground inventory.

Visit parks throughout Manitoba

The Parks Reservation Service is available at a variety of campgrounds, family vacation cabins, yurts and group camping areas and backcountry campsites. A reservation guarantees that your site will be held for your arrival. Although reservations are recommended, some campsites are available on a first-come, first-served basis.

Reservation policies

Manitoba Parks has developed the following reservation policies to provide convenience and fair access to available campsites.

When to make a reservation

Group use, cabin, yurt and Birds Hill campsite reservations begin **Monday, March 19**.

Reservations for campsites at Winnipeg Beach and the

Whiteshell will open on **Monday, April 2**. All other campsite reservations will open on **Wednesday, April 4**. During the season, reservations are restricted during the reservation window. Reservation windows by campground are noted on the chart located on the reverse side.

Making reservations for others

Making reservations for others is quick and easy. You can make online reservations for yourself and your family and friends. Simply ensure that you have their information handy as reservations must be made in their name. One easy payment secures all reservations.

Remember that the name on the reservation must be the permit holder who checks in and occupies the site.

Making reservations

Reservations must be made in the name of the person occupying the site. Online campsite reservations require individual User IDs and passwords. To speed up your reservation, please be prepared with the following information:

- arrival and departure dates
- your account number (if available)
- your name, address, telephone number and if available, an email address
- type of camping unit
- vehicle plate number and equipment plate number
- number of people in your party
- credit card number and expiry date

Most campgrounds are now computerized and "in-person" reservations can be made by campground staff.

Reservation fee

A non-refundable reservation fee of \$10.00 is required for each reservation made and must be paid at the time of booking. The reservation fee is in addition to nightly fees. Camping, group use, cabin and yurt fees vary, depending on facilities and services provided.

Payment

Full payment is required at the time you reserve your campsite, cabin or yurt. A deposit is required for all group use reservations. VISA and MasterCard are accepted.

Late arrivals

We understand that there may be times when your arrival is delayed, so we will hold your site until 11 a.m. the next day before cancellation. If you cannot arrive by 11 a.m., you must call the park or call centre to see if a later in day check in can be accommodated. Sites will not be held as a late arrival for longer than one night and will be cancelled as a “no-show” with all fees forfeit.

Cancellations, changes and refunds

If your plans change, please let us know.

- If you cancel four or more days in advance of your arrival date, you will receive a refund, less the non-refundable reservation fee.
- If you cancel within three days or less, you will receive a refund, less the non-refundable reservation fee and the first night’s camping fee.
- If you cancel after your arrival date, no refund will be issued.
- Changes to reservations regarding dates, location and facilities may be allowed, depending on availability, for a non-refundable change fee of \$4.00. Changes made within three days or less of your arrival date that involve a later arrival or moving to another campground location or facility, will be subject to an additional non-refundable nightly camping fee plus the change fee.

Ask a customer service representative for more information.

Check-in/check-out times

Campers must check in at the campground office to obtain their permit to occupy a site.

Facility	Check-in	Check-out
Cabin or Yurt (<i>check-in prior to 4 pm is not allowed</i>)	4 p.m.	11 a.m.

Group Use (<i>Overnight and Day Use</i>)	11 a.m.	10 a.m.

Early departures

If you must leave your campsite earlier than your planned departure date, the campground office will refund you for the unused portion of your stay. Some exceptions may apply. There are no refunds on early departures of cabins or yurts.

Long weekends, Folk Festival and other opportunities

The minimum reservation for long weekends is two nights and must include a Saturday night. Cabins and yurts require a two-night minimum at all times. There is a specific three-night minimum at Birds Hill Provincial Park during the Winnipeg Folk Festival. Certain sites in select locations offer a specific seven night minimum stay. There are no refunds on early departures when a minimum stay requirement is in effect.

Extending your stay

Renewals may be made at the campground office. All renewals are subject to campsite availability and maximum stay requirements.

Maximum stay

You may book stays for up to 21 nights, depending on campsite availability, at all locations. Family vacation cabins and yurts have maximum stay limits of 14 nights.

Number of bookings

You may book up to five sites per call/online session, although lower limits may be placed in the event of high call volumes (ex: first week of April). The reservation fee applies to each stay and site reserved.

Age requirement

The minimum age requirement for reserving and being issued a camping permit is 16. The minimum age requirement for cabins and yurts is 18.

Site closures

Periodically, the Parks Reservation Service will close sites due to flooding or storms. Every effort will be made to assist you with alternate arrangements.
