

# Paint Lake Provincial Park

## Campground Tips

- Help prevent the spread of aquatic invasive species. Always “Clean, Drain, Dry and Dispose” when using watercraft or water-related equipment.
- Build no fires except in a designated firepit or use a camp stove. Before leaving make sure your fire is completely out.
- Please! Do not litter.
- Be sensitive to wildlife. Bears can be dangerous and should not be fed. Food must be stored away from your campsite, preferably in a locked vehicle, to avoid attracting hungry animals. Do not store food in your tent.
- The use of insect repellent will add to your comfort.
- In case of injury or illness contact a Campground Attendant or Park Patrol Officer. They can assist you to reach medical help.
- Canoeists and hikers travelling in backcountry areas should advise a friend of their intended destination and anticipated length of trip.
- Backcountry camping is only allowed at designated campsites.
- It is illegal to use or transport elm firewood.
- Moving firewood can spread harmful invasive species and destroy our forests. Protect Manitoba’s trees. Don’t move firewood.

- Look for moose among the impressive features of the Precambrian shield

**W**ith its countless islands, enticing waters and rugged forests, Paint Lake Provincial Park is a haven for outdoor adventurers. Paint Lake Campground offers 86 campsites and six yurts as well as facilities and services for physically disabled visitors. For fun, there are two playgrounds in the campground and on the beach, as well as a volleyball court. The campground features modern washrooms, central shower buildings and water taps. The marina, boat launch, grocery store and restaurant are all within a short distance of the campground area.

At Paint Lake, water activities are a must, from swimming to boating to water skiing. Bring your own boat or rent one from the Paint Lake Resort and Marina. A hiking trail leads to a gorgeous beach, perfect for you and your family. Unroll your towel on the sun-drenched beach or take off and explore the island and bays. Troll for walleye and northern pike. Look for moose among the jack pine, trembling aspen and spruce of the Precambrian shield.

More information on Paint Lake Campground and Paint Lake Provincial Park is available on request from the park office.
