

## Campground Tips

- Help prevent the spread of aquatic invasive species. Always “Clean, Drain, Dry and Dispose” when using watercraft or water-related equipment.
- Build no fires except in a designated firepit or use a camp stove. Before leaving make sure your fire is completely out.
- Please! Do not litter.
- Be sensitive to wildlife. Bears can be dangerous and should not be fed. Food must be stored away from your campsite, preferably in a locked vehicle, to avoid attracting hungry animals. Do not store food in your tent.
- The use of insect repellent will add to your comfort.
- Learn to recognize and avoid poisonous plants such as poison ivy.
- In case of injury or illness contact a Campground Attendant or Park Patrol Officer. They can assist you to reach medical help.
- Canoeists and hikers travelling in backcountry areas should advise a friend of their intended destination and anticipated length of trip.
- Backcountry camping is only allowed at designated campsites.
- It is illegal to use or transport elm firewood.
- Moving firewood can spread harmful invasive species and destroy our forests. Protect Manitoba’s trees. Don’t move firewood.

- Discover the simple pleasures in this family vacation spot

Located beside Stephenfield Lake, this large campground is a great place for a family vacation. Choose from six bays of sites offering basic, electrical, or water and electrical service. Group campsites are also offered along with six yurts. Picnic shelters and tables provide convenience while horseshoe pitches, basketball nets and a baseball diamond add to the fun. Explore the hiking trail that surrounds the park and passes through the campground.

Stephenfield Dam is a major point of interest in the area. At the shores of the reservoir, you’ll find swimming fishing and boating.

Since the Assiniboine and Shell Rivers, as well as Lake of the Prairies surround the park, Assiniboine offers many water-oriented activities. The lake is known for excellent fishing for walleye, perch and northern pike. Wildflowers grow, seemingly without limits, over river valley

walls and prairie fields. Discover new flowers on each visit including crocus, hoary puccoon, goldenrod and wild bergamot.

A playground is located near the unsupervised swimming area.

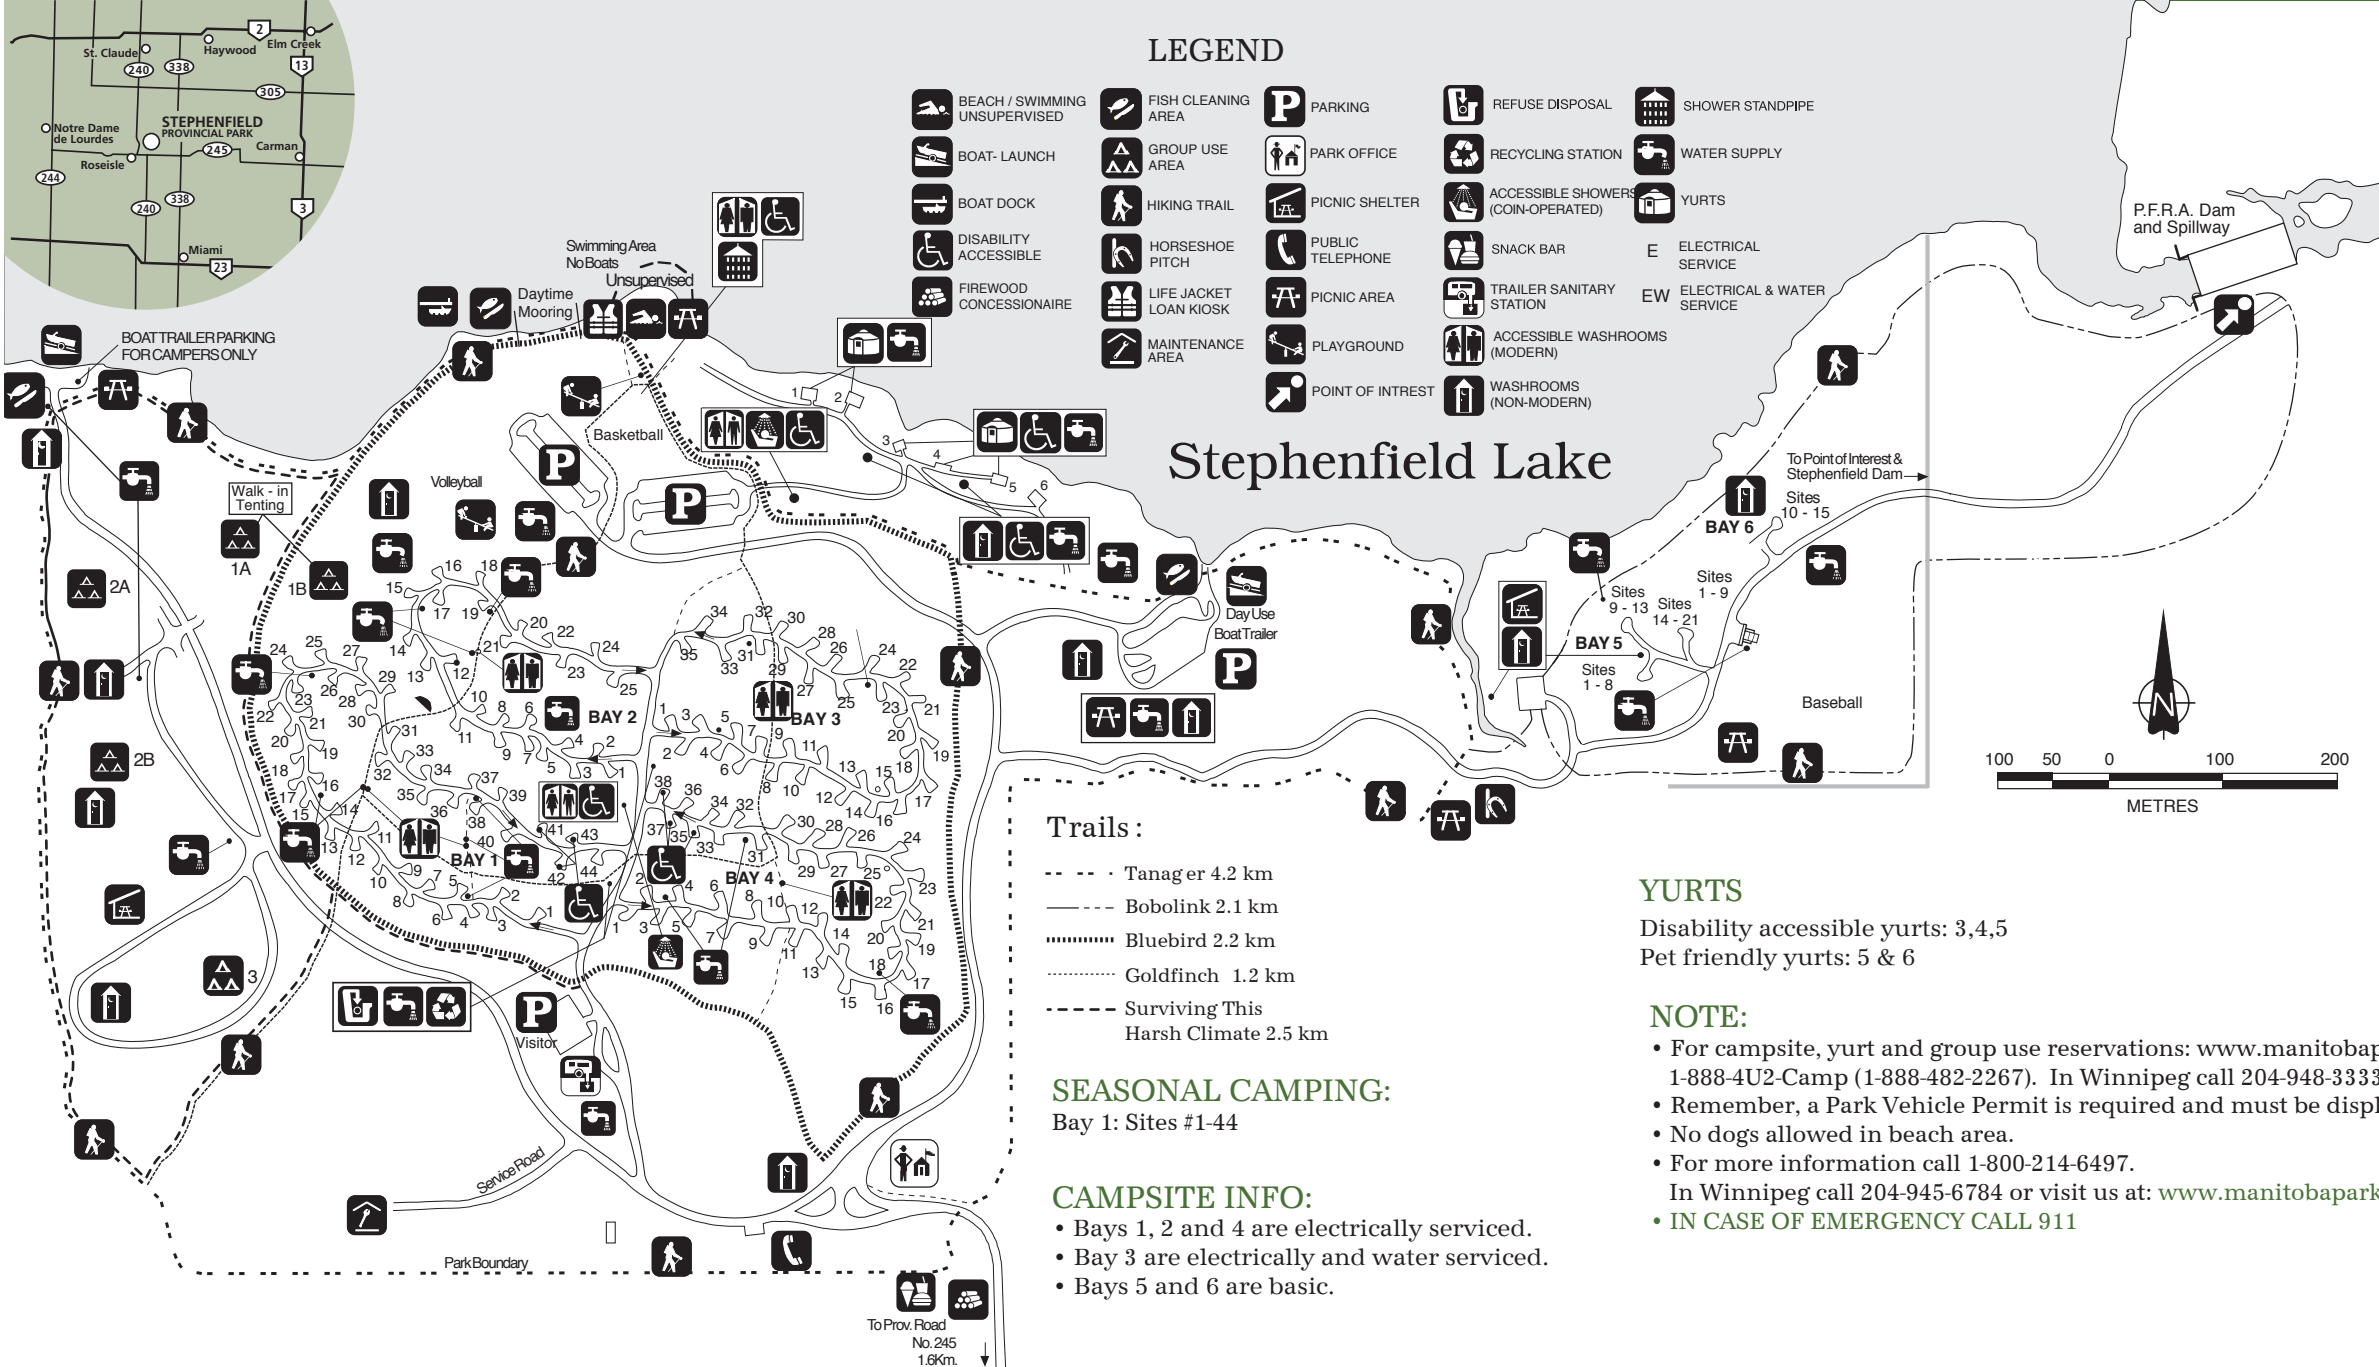

For a day on the links; Carman, Miami and Roland golf courses are close by.

Leaving Winnipeg, travel west 62 kilometres on Highway # 3 to Carman, continue west on Provincial Road 245, 22 kilometres, turn right at the park signs.

More information on Stephenfield Campground and Stephenfield Provincial Park is available on request from the park office. Call 204-828-3366.
