

VOLUNTEER CAMPGROUND HOST

Arrangements are made with the local Park District Manager or Park Interpreter for an in-park orientation and setting up your camping unit for the season.

Either party can discontinue services at any time. Failure to comply with all requirements of the position or violation of park rules and regulations will result in termination of the volunteer agreement and eviction from the campground.

Application Process

Application deadline is November 30, 2025 for the 2026 camping season. After the deadline, all applications are screened for completeness and assessed based on information provided.

Hosts from the previous year may be invited to volunteer for a consecutive year if they performed well in their previous season. After a second consecutive season, we will invite new sets of volunteers to Host, unless no other applicants are received and the previous Hosts performed well. ***Hosts wishing to return must re-apply each year.***

Park staff will contact suitable new applicants for an interview, which is conducted over the phone or virtually over Microsoft Teams in December. In the interview, we assess verbal communication skills, discuss motivations for becoming a Host and knowledge of Manitoba's provincial park system.

Positions are then offered to successful applicants based on their location preference.

Positions are offered in December. Unsuccessful applicants are placed on a waiting list should a position become available.
