

Campground Tips

- Help prevent the spread of aquatic invasive species. Always “Clean, Drain, Dry and Dispose” when using watercraft or water-related equipment.
- Build no fires except in a designated firepit or use a camp stove. Before leaving make sure your fire is completely out.
- Please! Do not litter.
- Be sensitive to wildlife. Bears can be dangerous and should not be fed. Food must be stored away from your campsite, preferably in a locked vehicle, to avoid attracting hungry animals. Do not store food in your tent.
- The use of insect repellent will add to your comfort.
- Learn to recognize and avoid poisonous plants such as poison ivy.
- In case of injury or illness contact a Campground Attendant or Park Patrol Officer. They can assist you to reach medical help.
- Canoeists and hikers travelling in backcountry areas should advise a friend of their intended destination and anticipated length of trip.
- Backcountry camping is only allowed at designated campsites.
- It is illegal to use or transport elm firewood.
- Moving firewood can spread harmful invasive species and destroy our forests. Protect Manitoba’s trees. Don’t move firewood.

Betula Lake Campground

- Wildlife ranging from the mighty Moose to tiny Hummingbirds

Beautiful Betula Lake campground is located beside Betula Lake in the peaceful wilderness of Whiteshell Provincial Park. Choose from 14 electrical campsites, each with outdoor necessities including fire-pits, picnic tables, washroom facilities and a water supply. For your convenience, a grocery store and gas station are located adjacent to the campground. The boat dock and launch is located on the east shore of Betula Lake.

Everyone can stay active at the playgrounds or the baseball diamond. Pack a picnic and spend the day on the warm sandy beach or enjoy sailing and other water activities.

Get into nature on the Foresters Footsteps Self-guiding Trail and the Betula Lake Bike Trail. Both are within walking distance of the campground. Watch for wildlife ranging from the mighty moose to tiny hummingbirds. The Pine Points Rapids

Hiking Trail is located between Nutimik and Betula Lake. This 2.5 kilometre trail takes you through a mixed wood forest and rugged rock outcrop. Fire pits along the trail allow for a quick meal stop.

Don’t miss the Bannock Point Petroform site located north of Betula Lake off Provincial Road #307. Look for stones laid out in shapes of snakes, fish and turtles. They are believed to have been made centuries ago by First Nations people for teaching and healing ceremonies.

Betula Lake Campground is located off Provincial Road #307 between White Lake and Nutimik Lake.

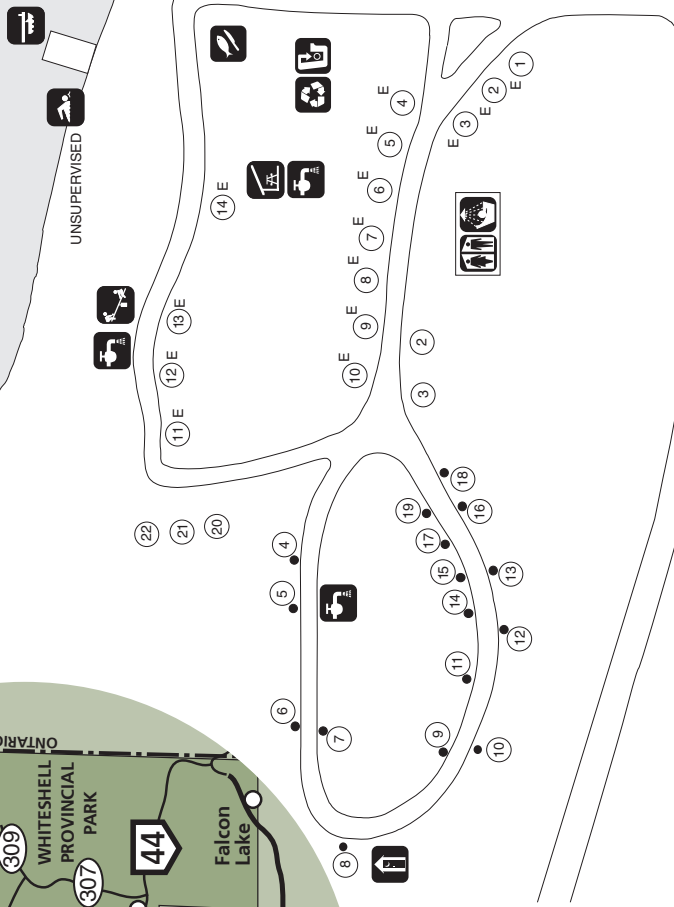

More information on Betula Lake Campground and Whiteshell Provincial Park is available on request from the park office.
