

Campground Tips

- Help prevent the spread of aquatic invasive species. Always “Clean, Drain, Dry and Dispose” when using watercraft or water-related equipment.
- Build no fires except in a designated firepit or use a camp stove. Before leaving make sure your fire is completely out.
- Please! Do not litter.
- Be sensitive to wildlife. Bears can be dangerous and should not be fed. Food must be stored away from your campsite, preferably in a locked vehicle, to avoid attracting hungry animals. Do not store food in your tent.
- The use of insect repellent will add to your comfort.
- Learn to recognize and avoid poisonous plants such as poison ivy.
- In case of injury or illness contact a Campground Attendant or Park Patrol Officer. They can assist you to reach medical help.
- Canoeists and hikers travelling in backcountry areas should advise a friend of their intended destination and anticipated length of trip.
- Backcountry camping is only allowed at designated campsites.
- It is illegal to use or transport elm firewood.
- Moving firewood can spread harmful invasive species and destroy our forests. Protect Manitoba’s trees. Don’t move firewood.

Brereton Lake Campground

- Observe majestic animals on the scenic Amisk trail

Brereton Lake Campground offers eight electrical and 20 non-serviced sites. A playground and picnic shelters are located within the campground area. For your convenience, a grocery store, laundromat and restaurant are near the campground at Brereton Lake Resort. The boat launch is located off Provincial Road # 307 past the Brereton Resort.

Brereton Beach provides plenty of fun in the sun opportunities including swimming, canoeing, sailing or fishing. Take a hike on the Amisk Hiking Trail, north of the lake. This intermediate 4.8 kilometre loop heads through scenic forest and over rock edges to a peaceful spot on Rennie River. For the perfect end to the day, gather family and friends around the centrally located fire pit and enjoy a wiener or marshmallow roast.

Bird lovers can get up close to Canada geese at Alfred Hole Goose Sanctuary near Rennie on Highway 44. The centre features interpretive programs, displays, exhibits, self-guiding trail, an observation gallery and a small pond. The visitor centre is open from May Long Weekend to Thanksgiving Weekend. Why not take the 2.5 km trail have a picnic and visit the Whiteshell Trapper’s Museum (located on sanctuary grounds).

More information on Brereton Lake Campground and Whiteshell Provincial Park is available on request from the park office.
