

## Escaping to Manitoba's Parks has never been easier

Manitoba's online Parks Reservation Service is the easy, convenient way to make sure you can enjoy your favourite campsite this season. Our system allows users to browse available campsites, photos and view park maps and details about each campsite. With real-time, up-to-date information, the system offers communication between computerized campground offices and the reservation system, and provides a better way to manage park resources and campground inventory.

### Plan ahead

Visit us online or call us to secure your weekend getaway and summer vacation plans. The Parks Reservation Service is easy, convenient and there are no long-distance charges.

### Visit parks throughout Manitoba

The Parks Reservation Service is available at a variety of campgrounds, family vacation cabins, yurts and group camping areas and backcountry campsites. A reservation guarantees that your site will be held for your arrival. Although reservations are recommended, some campsites are available on a first-come, first-served basis.

### Reservation policies

Manitoba Parks has developed the following reservation policies to provide convenience and fair access to available campsites.

### When to make a reservation

Camping inventory becomes available for reservations in April.

See the Parks Reservation Service home page for a **detailed list**. During the season, reservations are restricted **within** the reservation window. Reservation windows by campground are noted on the chart located on the reverse side.

### Making reservations for others

Making reservations for others is quick and easy. You can make online reservations for yourself and your family and friends. Simply ensure that you have their information handy as reservations must be made in their name. One easy payment secures all reservations.

**Remember that the name on the reservation must be the permit holder who checks in and occupies the site.**

### Making reservations

Reservations must be made in the name of the person occupying the site. To speed up your reservation, please be prepared with the following information:

- arrival and departure dates
- your account number (if available)
- your name, address, telephone number and if available, an email address
- type of camping unit
- vehicle plate number
- number of people in your party
- credit card number and expiry date

### Reservation fee

A non-refundable reservation fee of **\$10.00** is required for each reservation made and must be paid at the time of booking. The reservation fee is in addition to nightly fees. Camping, group use, cabin and yurt fees vary, depending on facilities and services provided.

## Payment

Full payment is required at the time you reserve your campsite, cabin or yurt. A deposit is required for all group use reservations. VISA, VISAdebit and MasterCard are accepted.

## Late arrivals

We understand that there may be times when your arrival is delayed, so we will hold your site until 11 a.m. the next day before cancellation. If you cannot arrive by 11 a.m., you must call the park or call centre to see if a later in day check in can be accommodated. Sites will not be held as a late arrival for longer than one night and will be cancelled as a "no-show" with all fees forfeit.

## Cancellations, changes and refunds

If your plans change, please let us know.

- If you cancel four or more days in advance of your arrival date, you will receive a refund, less the non-refundable reservation fee.
- If you cancel within three days or less, you will receive a refund, less the non-refundable reservation fee and the first night's camping fee.
- If you cancel after your arrival date, no refund will be issued.
- Changes to facility type and location are not permitted. Please cancel and make a new reservation. All reservation and cancellation fees apply.
- Changes to reservations regarding dates and site numbers may be allowed, depending on availability, for a non-refundable fee of \$4.00. Moving your arrival to a later date within three days or less of your original arrival date will be subject to an additional non-refundable nightly camping fee plus the change fee.
- Address changes, or changes regarding your trailer size or plate number do not require a change fee.

Ask a customer service representative for more information.

## Early departures

If you must leave your campsite earlier than your planned departure date, the campground office will refund you for the unused portion of your stay. Some exceptions may apply. There are no refunds on early departures of cabins or yurts.

## Long weekends, Folk Festival and other opportunities

The minimum reservation for long weekends is two nights and must include a Saturday and Sunday night (does not apply to July long weekend). Cabins and yurts require a two-night minimum at all times. There is a specific three-night minimum at Birds Hill Provincial Park during the Winnipeg Folk Festival. Certain sites in select locations offer a specific seven night minimum stay. There are no refunds on early departures when a minimum stay requirement is in effect.

## Extending your stay

Renewals may be made at the campground office. All renewals are subject to campsite availability and maximum stay requirements.

## Maximum stay

You may book stays for up to 21 nights, depending on campsite availability, at all locations. Family vacation cabins and yurts have maximum stay limits of 7 nights.

## Number of bookings

You may book up to five sites per call/online session, although lower limits may be placed in the event of high call volumes (ex: reservation opening days). The reservation fee applies to each stay and site reserved.

## Age requirement

The minimum age requirement for reserving and being issued a camping permit is 16. The minimum age requirement for cabins and yurts is 18.

## Site closures

Periodically, the Parks Reservation Service will close sites due to flooding or storms. Every effort will be made to assist you with alternate arrangements.

## Check-in/check-out times

Campers must check in at the campground office to obtain their permit to occupy a site.
