Dear Ms. Wittmann:

**SEVEN SISTERS GENERATING STATION – SHORT-TERM EXTENSION
LICENCE**

We request a renewal of the Short-Term Extension Licence (STEL) for the Seven Sisters Generating Station under the provisions of Section 92 of Water Power Regulation 25/88R. We request that the STEL be renewed for a five-year term. The Fourth STEL was issued for a one-year term on September 23, 2025.

Manitoba Hydro continues to operate the Seven Sisters Generating Station in compliance with the Fourth STEL. The supporting documentation provided in 2010 prior to issuance of the STELs is still valid and ongoing compliance with the licence is documented in our Annual Water Levels and Flows Compliance Report.

If you have any questions about this matter, please call me at 204-360-3018.

Yours truly,

W.V. Penner, P. Eng.
Manager, Waterway Approvals and Monitoring Department
