Dear Mr. Murray:

→ Re: North-West Smelting - Request for Variance
from Environmental Order #0457.

As per our meeting on April 2, 1991, I have reviewed your letter of April 4, 1991 requesting changes to the sampling regime. As discussed previously, we find your alternative sampling schedule acceptable.

Should you have any further questions, please do not hesitate to contact me.

Sincerely,

Don Labossiere
Environment Officer
