**Attention: Brian Wiffen, P. Eng.**  
**Project Manager**

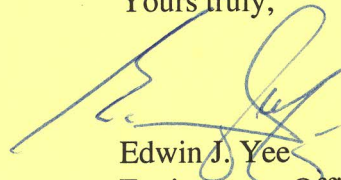

Dear Mr. Wiffen:

**Re: Draft CCME Protocol for the Derivation of Ecological Effects-based and  
Human Health-based Soil Quality Criteria for Contaminated Sites**

In response to our recent telephone conversation, please find attached the draft CCME protocol for ecological effects and human health-based soil quality criteria.

Should you have any questions or wish to make arrangements to view our Domtar file, please contact me at (204)-945-7069.

Yours truly,

Edwin J. Yee  
Environment Officer  
Winnipeg Region  
Contaminated Sites
