

MANITOBA HUNTER EDUCATION DECLARATION FORM

IMPORTANT INFORMATION ABOUT THIS FORM:

The *Hunter Education Regulation* provides that if you **LAWFULLY** held a hunting licence before January 1, 1975, you are eligible to receive a hunter education certificate without having to take a hunter education course.

By regulation, in 1969, hunter education graduation became mandatory for anyone under 19 years of age wishing to obtain a hunting licence. Therefore, you may have held a hunting licence before 1975, but, based on your age, you may have held that licence unlawfully as it was obtained at a time when you were required to hold a hunter education certificate. If this is the case, the declaration form will not apply and you must take the hunter education course. Remember that when you sign your hunting licence, you are declaring that you hold all of the legal qualifications for it to be valid!

This declaration is not to be used to receive a replacement certificate if you have misplaced or lost your original one. Contact the Manitoba Wildlife Federation (204-633-5967) for a replacement certificate.
