

MEMORANDUM OF UNDERSTANDING (MOU)

DESIGNATION OF WATER PLANNING AUTHORITY FOR THE DEVELOPMENT OF THE EAST DUCK MOUNTAIN/SAGEMACE BAY WATERSHED MANAGEMENT PLAN

THIS MEMORANDUM OF UNDERSTANDING is between:

GOVERNMENT OF MANITOBA
as represented by Manitoba Water Stewardship –
Watershed Planning and Programs
(hereinafter referred to as Manitoba)

and

INTERMOUNTAIN CONSERVATION DISTRICT

1. PURPOSE

The purpose of this MOU is to designate a Water Planning Authority for the development of the East Duck Mountain/Sagemace Bay Watershed Management Plan.

2. VISION

The vision is that watershed stakeholders, municipalities and government agencies will work through the planning process cooperatively, identify the priority issues and concerns of all groups, utilize local knowledge and scientific information to develop objectives and actions, reach consensus on funding and implementation, and develop a Watershed Management Plan.

Manitoba realizes that effective and sustainable watershed management must include local involvement in the planning and management of the natural resources and be the shared management responsibility of all stakeholders and watershed residents.

3. AGREEMENTS

Manitoba agrees to:

1. Designate the Intermountain Conservation District as the Water Planning Authority for the East Duck Mountain/Sagemace Bay watershed (Figure 1), as authorized by the *Water Protection Act*.
2. Provide a Watershed Planner from Manitoba Water Stewardship – Watershed Planning and Programs to assist with the planning process.
3. Provide a watershed management plan grant of \$25,000 to the Intermountain Conservation District.
4. Provide additional in-kind financial and technical support from other provincial staff through the provision of information necessary for the development of the watershed management plan.

Intermountain Conservation District agrees to:

1. Become the Water Planning Authority for the East Duck Mountain/Sagemace Bay watershed.
2. Play the lead role in the development and implementation of the East Duck Mountain/Sagemace Bay Watershed Management Plan, with an understanding of the value in developing the plan as a document that identifies and focuses on priorities and provides direction on watershed management efforts over the next 10 years.
3. Use the watershed management plan grant of \$25,000 only for items and activities as listed in Appendix 1.
4. Commit financial and staff resources to the planning process and the development of the East Duck Mountain/Sagemace Bay Watershed Management Plan.

Both Parties agree to:

1. Work together to develop a Terms of Reference for the development of the East Duck Mountain/Sagemace Bay Watershed Management Plan.
2. Strive to complete the Plan within two years of signing this MOU.

3. Provide watershed stakeholders with meaningful opportunities to participate in the planning process.
4. Develop the East Duck Mountain/Sagemace Bay Watershed Management Plan in accordance with the *Water Protection Act*.

4. DURATION

This MOU becomes effective on the date of signatures below.

This MOU is ongoing unless it is terminated by either Party upon written notice to the other Party.

This MOU may be amended at any time by mutual accord.
