

# Employment Assistance Services

## Assisting people to prepare for, find, and keep employment

Workforce Training and Employment provides services to assist individuals in preparing for, finding and retaining employment to meet Manitoba's labour market needs. We contract with community organizations to offer a variety of short-term, employment-related services. These services can help you to find and keep a job, improve your employability and conduct a successful job search.

### What services are offered?

Each program/organization offers all, or a combination of the following:

- Employment plan development
- Employment counselling
- Assessment services
- Information on the labour market and education/training opportunities
- Resume assistance and job search assistance
- Job finding clubs and job referral and/or placement

### Who can participate?

You may participate if you are unemployed or working less than an average of 20 hours per week.
